Catalyst is Ripon College's modern revision of a college curriculum. It's five core courses, one course per semester, and focuses on real world skill development instead of unnecessary general education courses. You can learn more at ripon.edu/catalyst.

The Willmore Center is a state-of-the-art athletic, health, and wellness facility for our entire community. It features the best indoor track in Wisconsin, an outstanding weightlifting room and cardio balcony, and multiple fitness studios. Come check it out!
