**Free School Counselor Workshops Return this fall.
New Format. Meaningful Conversations. Valuable Insights.**

Middle and high school counselors are invited to attend one of two in-person workshops focused on Wisconsin's private, nonprofit colleges.

Each session will include small group conversations with admissions officers and a focused discussion on financial aid and student support. This isn't a typical college fair. It's a chance to explore what sets Wisconsin's private colleges apart—and how they prepare students for success in college and beyond.

Tuesday, October 21

Lawrence University | Appleton, WI

Tuesday, October 28

Beloit College | Beloit, WI

Look for an email later this summer with more information and our registration link!
